

Leesville Road Pride Productions Booster Club

Leesville's Theatre Department is supported by the parent run organization, "Pride Productions". These parents raise money for trips, retreats, scholarships and productions and are involved in all areas of the program. *All* parents are highly encouraged to join this opportunity to be involved with their kids.

The membership cost is \$30.00. This money goes to support all aspects of our stage performances and to provide support for in class activities including drama competitions, educational trips, the Pride Production Scholarship Fund, guest artists, equipment that there is not enough school funds to pay for, the International Thespian Society Troupe #5540 induction ceremonies, and food for the students while preparing for productions.

BENEFITS for membership include advance ticket purchase for productions, free 2-line personal text messages in EACH program and being eligible to win two tickets for one of the main productions.
