The Armed Services Vocational Aptitude Battery (ASVAB) is an aptitude test that helps you determine your own natural abilities, which will assist you in making informed career choices. The military branches require the ASVAB for entrance into the military. The Military Entrance Processing Service Center offers the ASVAB on a weekly basis. Contact your military recruiter to schedule an appointment. The ASVAB will also be offered at Leesville Road High School during the school year. Contact your Career Development Coordinator, Mrs. Canada who is located in the Career Center if you need additional information.
