

Apply To College

Step 1: Students can locate the list of colleges visiting LRHS in several ways:

- A. Clicking www.leesville.org, and clicking on Calendars.
- B. Clicking on <http://www.leesville.org/Calendars/index.htm>.
- C. Clicking on chronological list of college visits:

http://www.leesville.org/Departments/guidance_dept/Career_Center_Services/college_visitation_calendar_2011_2012.pdf

- D. Watching the scrolling announcements on classroom televisions.
- E. Asking teachers, counselors or other staff for this list.
- F. Checking the bulletin board for this list, inside the Career Center.

****College Visits will be updated every Friday, and sent to the Faculty, Webmaster, and to the Parents Yahoo group via e-mail.**

Step 2: Juniors and Seniors should sign up for appointments in the Career Center (Room 102) before school, after school or during lunch, to see College Admission Reps seven days before the visit.

Passes will be sent to each student on the day of their college appointment, during their first period of the day.

Purpose of College Visits: to provide an opportunity for the students to get information and meet the college admission representative. Students will meet in the Career Center (Room 102) in a small group setting for 30-45 minutes, ask questions, and find out how the admission process works at each college. Students should research the college prior to their appointment, and be able to ask questions about the colleges. The college admission representatives are the “first point of contact with the college/university system,” and can answer many questions. The Career Development Coordinator at Leesville Road High School, Mrs. Canada will also be meeting with the College Admission Representatives and the students.

Step 3: Applying to College:

A. Seniors should submit the following documents electronically to colleges, through the CFNC website- www.cfnc.org:

- (1) College Applications and Application Fees
- (2) Transcripts

B. Seniors should also submit the following documents electronically to colleges, through the following websites:

(3) SAT Scores (register for SAT: <http://sat.collegeboard.org/home>)

and/or

(4) ACT Scores (register for ACT: <http://www.actstudent.org/regist/index.html>)

On-Site College Visits at LRHS:

Seniors should submit the above items to the College Admission Representatives prior to their visit, to LRHS. At these visits, seniors will find out in the 15-20 minute appointments if they are accepted, denied, or deferred to the college. On-site appointments are beneficial to seniors because they will have one-on-one meetings with the College Admission Representatives, to gather more in-depth college information. Watch for deadlines to submit information.

*****Students should always “dress to impress” when attending college visits at Leesville Road High School.**
