

## ***Are you mechanically inclined?***

### **Job Description**

Advanced Seating and Mobility, needs a shop assembly and repair associate. This opening is primarily for the summer but can be extended to a permanent full-time job. You will customize or repair manual, power wheelchairs, electric scooters and vehicle lifts by assembling sub-assemblies, and drilling or bending metal, plastic or wood. Your responsibilities will include assembly, cleaning and housekeeping operations. If you have mechanical skills or aptitude, you will enjoy this job.

The pay range is \$9 per hour, work commences at 8AM and ends at 4:30PM from Monday through Friday (8 hours/day) with occasional overtime. We are located within a 1 mile range of Leesville Road High School.

We are a small company with a strong team spirit, supportive culture and enjoy close interaction between all employees. We provide power wheelchairs, scooters, manual wheelchairs, lifts and mobility accessories.

**Category:** General Labor or Skilled trade/craft

### **Requirements**

- 1. Excellent communication skills**
- 2. Strong mechanical skills**
- 3. Basic power tools knowledge**
- 4. Ability to follow verbal/ written directions**
