THE PAIDEIA PROGRAM

Students can opt to take their required English I class or their Honors English I class I as a Paideia Course. The Paideia Program, an interdisciplinary approach, encourages students to think across subject areas and curriculum boundaries. These courses develop students' critical and analytical thinking skills. Great classics, modern works of literature, and original documents are studied within the appropriate historical framework. Teachers use traditional means, weekly seminars, and supervised practice referred to as coaching. Paideia is a two-credit course that covers the English requirements at each grade level. It also covers the social studies requirement for Grade 9, World History. Students must take both courses.
