## Bulletin #1 2011-2012

This bulletin will be distributed to all seniors who have a second period class periodically throughout school year. It is not meant to be an all inclusive list of scholarship information. It only contains information on scholarships that we have actually received at the school. It often does not contain college/university specific scholarships, unless it is a college/university scholarship that requires a specific nomination from Leesville. Students are encouraged to look at the websites for the colleges to which they are applying for specific scholarship information.

All three of the scholarships listed require a school nomination. Please follow the directions for each scholarship.
