

Leesville Road High School  
Pride Athletic Club  
2011-2012 Membership Application

The Leesville Road High School (LRHS) Pride Athletic Club (PAC) is a voluntary organization established by a group of parents in the early days of LRHS to support the athletic programs and students athletes at the high school. Funds raised by the PAC through memberships and other PAC fundraising activities have made it possible to make athletic facility improvements, purchase sports equipment, and otherwise support the LRHS sports programs. It is important to remember that all funds raised by PAC are returned **100%** to the school athletic programs. The PAC membership not only gives you entry into all regular season home athletic events, but it is the largest fundraiser for the athletic programs.
