Principal's Chats:

Our Principal, Mr. Lyons, takes part in parent meetings during the year, to share information to help students, field questions, and get feedback and input from parents. These are popular and informal ways to discuss school-wide issues. This is also a good opportunity to meet and speak with your PTSA officers, who take turns hosting the chats. Some sessions focus on specific grade levels, but all parents are welcome to attend any or all of the sessions. Please take note of the time and location, since we alternate these in order to accommodate as many different schedules as possible.
