

SELF-REFLECTION 1

If possible, please type all responses. If not, print legibly in black ink.

1. What do you hope to learn and experience while working with your mentor?

2. Describe how the working relationship between you and your mentor is developing (communication, scheduling meetings, actual time spent together, etc.).

3. Now that your project is underway, what are your feelings? Is your topic interesting? Why or why not? Are you excited about what you plan to do? Why or why not?
