AP CALCULUS SUMMER ASSIGNMENT SHEET 2010

Over the summer you are expected to complete review materials for Calculus. You will be tested on this material during the first week of classes in August. Below is a list of assignments and corresponding due dates for each assignment. There will be a box in the school's main office in which you should place your assignments on or before each due date. (The school will be open from 7 AM - 3 PM Monday through Friday.) You may mail your assignments to Mrs. Kolb at the school if you are unable to bring them in; the school address is 8409 Leesville Road, Raleigh, NC, 27613. (If you mail your assignments please be sure to address them to Mrs. Kolb.) Mailed assignments must be postmarked by the due date. Assignments will be graded for accuracy and completion; late assignments will be graded for accuracy only and will not receive completion points. Please complete all assignments on a separate sheet of paper, record your answers on the specific assignment page; staple the assignment page to the top of your work papers. Make certain that your name is on your papers. The use of a calculator is allowed ONLY on the fifth assignment: Test Form E - Chapter P. Please do not procrastinate; if you have plans that conflict with the due dates, you should work on the assignments in advance. Please read the appropriate sections in the textbook before attempting the exercises in each assignment.
