

AP CHEMISTRY SUMMER ASSIGNMENT

1. Purchase the book Problem Exercises for General Chemistry (3rd Edition) by G. Gilbert Long and Forrest C. Hentz ISBN # 0-471-82840-8 The best place to look for the book is amazon.com. You can get a better deal there. If purchasing the book is a problem, I have a copy that you can check out from me. We will use the book to work problems and most students like to have their own copy so that they can write in the book.
2. Before the first day of school, work the following problems in the problem exercises book. The answers are at the end of each chapter. These are review problems from first year chemistry. You do not need to turn in this assignment. **YOU WILL HAVE A TEST ON THIS REVIEW MATERIAL THE SECOND DAY OF CLASS!**

CHAPTER 1: (pg 8) # 1-9, 11-21, 28-30, 32-39, 41-46, 51
